GTM BUDDY

To whomsoever it may concern

01-September-2021,
Hyderabad

This is to certify that 'M M Shri Vidhatri', student of the Department Of B.Tech CS, MS CND, International Institute of Information Technology, Hydebarabad has completed a project with us during the period July-August 2021.

During this time Shri Vidhatri has successfully completed a project entitled "Custom Named Entity Recognition Model". She worked on creating the training & validation of a dataset to train a model which could recognize new products in product reviews.

Shri Vidhatri has put great efforts in completing her project. During this time with us, she has been very hardworking and productive.

We appreciate her for taking the time to work with the Data Science Team at GTM Buddy.

For GO TO MARKET BUDDY SOFTWARE PRIVATE LTD
